Letter of Recommendation

Date - 24-Aug-2026

I am writing to highly recommend Vishal Kushwaha for the completion of their internship program of 3 Months in Tech. As their supervisor during their time with our organization, I had the pleasure of closely observing their performance, and I am confident that they will excel in any professional setting.

Throughout their internship, Vishal Kushwaha demonstrated an exceptional work ethic, a willingness to learn and take on new challenges, and a strong attention to detail. They consistently produced high-quality work and were always eager to take on additional responsibilities. Their positive attitude and enthusiasm for their work made them a valuable member of our team.

In addition to their technical Vishal Kushwaha also displayed excellent communication skills and was able to collaborate effectively with colleagues from different departments. They were always open to feedback and actively sought out opportunities to improve their skills.

Overall, Vishal Kushwaha has been an outstanding intern, and I have no doubt that they will continue to thrive in their future endeavors. I highly recommend them for any position or opportunity they may pursue.

Please do not hesitate to contact me if you require any further information.

Best regards,

abhishek
